Principal's High Five:

Our high five this week goes out to Mrs. Giltner! I have been made aware by a couple of her colleagues how she has helped to ***influence their instruction!*** Furthermore, they feel as though she has helped them to make a greater impact on students in their co-taught classes! Great job Mrs. Giltner! You are a FANTASTIC member of our team!!!

Grade Level Meetings on Wednesday, September 23, 2015:
9th Grade - Mrs. Clark's Room
10th Grade - Mrs. Wallace's Room
11th Grade - Mrs. Hawkins' Room
12th Grade - Mrs. Campbell's Room
How does a grade level meeting work?
- Look at your roster and identify students who are struggling with academics, behavior, or attendance.
- Attend the meeting at 2:30 PM to discuss those concerns with colleagues who share the student in class.
- Identify interventions as team to help the student be successful.
- If you have multiple grade levels, attend the meeting in which you have a concern about a student.

Bright Idea:
Please take some time to visit other classrooms! When you hear or see a great idea, please take time to write up your colleague for a "Bright Idea" and post it on the bulletin board next to the mail room!

Grades:
Please be sure that your grades are up-to-date by 3:00 PM each Monday! We do a SchoolReach each Tuesday!
